B. Doctoral Coursework

I completed my doctorate degree in June 2026.

C. Professional Memberships and Conferences:

Membership in professional organizations and attending their conferences remain very important to me as a way of networking and as a means of staying both current and relevant. I am a member of the following organizations and participated actively in their organizational activities:

- FEMA Region VI Community Preparedness Working Group
  - *Regular communication of best practices relating to community development and emergency preparedness by email*
  - *Average ~2 hours per month*
- FEMA Region VI Higher Education Working Group
  - *Coordination of program development tools, training programs, and best practices by institutes of higher education by email and virtual meetings*
  - *12 meetings per year x ~1 hour per meeting = 12 hours*
- HOTCOG Interoperable Communications Coalition
  - *Development and coordination of regional public safety communications technology and governance by email and in-person meetings*
  - *12 meetings per year x ~2 hours per meeting = 24 hours*
- HOTCOG Regional Community Emergency Response Team Working Group
  - *Coordination of program development tools, training programs, and best practices of local disaster volunteer programs by email and in-person meetings*
  - *6 meetings per year x ~2 hours per meeting = 12 hours*

D. Other:

I am currently working on the Google Project Management certificate.
